Masthead's KZN Region entertained member brokers and representatives from its partner product providers at one of the most exciting and fashionable events of the year, the Vodacom Durban July, held at the Greyville Racecourse on 1 July 2006.

At the event, Masthead won the award for the "Best Picnic Site Marquee" for the second year in a row. The colourful decor depicted the theme "Beads, Baubles and Bangles". Guests enjoyed the fun, fashion and fiesta of the day, as they donned their bling and dressed for the occasion.
