INFORMATION AT YOUR FINGERTIPS WITH FINANCIAL INTELLIGENCE CENTRE'S NEW WHATSAPP CHANNEL

2 June 2025: The Financial Intelligence Centre (FIC) is pleased to invite accountable institutions, business and the public to join its new official WhatsApp channel.

The WhatsApp channel offers stakeholders an additional communications platform to receive the latest updates on FIC Act compliance guidelines and other information about how the FIC contributes to the fight against financial crime in South Africa.

The FIC will share regulatory updates, compliance guidelines, videos, and other information to help followers stay updated on communication from the FIC.

Accountable institutions, business and the public can join the FIC's WhatsApp channel by scanning the included QR code using a phone camera, or by clicking [this link](#).

NOTE: This is a one-way broadcast channel, intended to provide followers with regular information and updates. Officials of the FIC will not have access to followers' individual profile and photos, cell phone numbers, status updates or any personal identifying information, in line with Meta's privacy and security requirements.

For any compliance related queries, contact the FIC's contact centre on +27 12 641 6000 or log a query on the [FIC website](#).
